

**For the information of those coming on 2019 HGC trips.**

**1. Members Only**

The two-day trips are only open to HGC members in good standing. Should the buses not be full by the **3<sup>rd</sup> May**, **non-members** are welcome to join us. Please advise the Hudson Village Travel if you are not a member.

Please be advised that trip # 1 is contingent on selling 33 seats and Trip#2 a minimum of 50 seats. If less seats are sold, it is likely the trip will be cancelled and the money refunded

**2. Not transferable**

Please be reminded that tickets are **not** transferable. We have a waiting list and any cancellations will be offered to those on the list. Please advise Hudson Village Travel if you have any trip changes.

**3. Cheques**

All payments are to be made by **cheque**\* and payable to Hudson Village Travel. As always, payment with a ticket will confirm your seat.

Cheques for Trip #1 will be cashed on the **13<sup>th</sup> May**.

Cheques for Trip#2 will be cashed on **13<sup>th</sup> June**. This enables us to pay for the buses.

**4. Cancellations**

Cancellations and a full refund for Trip #1 will be accepted up to **3<sup>rd</sup> May**.

Cancellations and a full refund for Trip #2 will be accepted up to **7<sup>th</sup> June**.

**5. Refunds**

After the above cancellation dates, we cannot guarantee a full refund, as it will be dependent on our being able to fill your seat from the waiting list.

**6. Waiting List**

Names will be selected in order from the waiting list.

Members or non-members who are advised that a seat has become available and are confirmed after the date the cheques have been cashed, will be requested to pay the HVT in **cash only**. This money will be used to refund the person cancelling.

**7. Water**

Please be advised that water bottles will no longer be supplied. Please bring your own. A supply of water will be available to refill water bottles.

**8. Clothing**

Please bring suitable "layer" clothing for all weathers and comfortable, flat, walking shoes. Hats, suncream and bug spray are also recommended.

**9. Questions?**
